Board meeting 02/28/13

(h) Escambia County request regarding Southern Waste Recovery Agreement

Although reflected in agenda order in these minutes, this item was considered following Item 7(e), which was considered following Item 5.

Mr. Perkins informed the members that the Escambia County Administrator, George Touart, left a voice mail message on his phone conveying to him ECUA Board member Vicki Campbell's feelings relative to this issue. Mr. Perkins stated that by Mr. Touart leaving such a message, it would constitute a violation of the Sunshine Law and he, therefore, was disclosing this action and stated that this information would not in any way alter his opinion and/or vote regarding this issue. Mr. Perkins provided an audio copy of Mr. Touart's phone message for the official records.

Ms. Campbell also disclosed that Mr. Touart called her and attempted to inform her of Mr. Perkins' feelings and she stopped the conversation and informed him that it would be a violation of the Sunshine Law if he continued and ended the phone call. Ms. Campbell also stated that what she heard from Mr. Touart would not alter her opinion or vote regarding this issue.

Ms. Campbell provided a PowerPoint presentation of her visit to the Rainbow recycling and recovery facility in California last week.

The following individuals addressed the Board relative to this topic.

Mr. Patrick Johnson, Escambia County Solid Waste Department, addressed the Board concerning the Southern Waste Recovery Agreement, stating that the Board of County Commissioners (BCC) will not increase tipping fees and requested that a decision on this agreement be delayed for six months and that the BCC and ECUA work together to lead the way and will be willing to build a facility at the landfill.

Mr. Bruce Shuman, Rainbow Environmental Services, provided a PowerPoint presentation of their facility in California and what is being proposed at this time.

Mr. Perkins stated that he would like to see ECUA and the County to site the facility locally; give them three months, and that the County waive any increase in tipping fees.

Mr. Douglas Sawyers, Arcadis Engineering, 3101 Wilson Road, Arlington, VA, addressed the Board relative to the issue of solid waste and

technological advancements, indicating the proposed technology is viable and the SWR deal is good for the ECUA.

A motion was made by Mr. Perkins to ask the County, consultants and ECUA staff to work on this as a joint project for the next three months and bring those results back to the Board in order to move forward on this project. *Motion died for lack of a second.*

A motion was made by Ms. Benson, seconded by Ms. Campbell, to direct our staff to meet with the County in order to develop a joint agreement to pursue recycling of the nature that has been presented, in collaboration with the County to be done in Escambia County, and to come back with an agreement, or a failure of agreement, in six months.

Chairman Walker turned the Chairmanship over to Vice Chairman Campbell and moved to amend the primary motion to read a three month delay rather than a six month delay. Motion was seconded by Mr. McCorvey.

After further discussion, Ms. Benson withdrew her motion and Ms. Campbell withdrew her second.

Upon questioning, the Assistant County Administrator, Mr. Newsome advised Mr. Patrick Johnson that the County would be willing to waive any increases in tipping fees during the timeframe indicated.

Chairman Walker's motion was restated to delay action on the recommendation from staff on this item until the May meeting and instruct staff to try to work with the county staff, and consultants, and then come back to the Board. Motion carried 5-0.

Chairmanship was returned to Chairman Walker.

Chairman Walker called for a recess at 4:00 p.m. and reconvened the meeting at approximately 4:13 p.m.

(i) Mixed waste processing agreement

No action taken.

(j) 2013 Organizational meeting – request for clarification
