ITEM D - OPEN FORUM

Mr. James Faxlanger, 4159 Erika Court, Pensacola, FL 32526, addressed the Committee concerning the Deerfield Estates private lift station and costs associated therewith to bring the station up to ECUA standards so that ECUA would take the station over.

Mr. Sorrell explained that there are many private lift stations that were built many years ago in the ECUA service area that are in the same situation as the one for Deerfield Estates and that newer private lift stations were required to be built to ECUA standards. Chairman Benson requested that staff provide a list of the private lift stations that were not built in accordance with ECUA standards. Staff was also requested to report back to the Committee at its next meeting on Mr. Faxlanger's request for ECUA to assume the Deerfield Estates private lift station.
