ADDENDUM NUMBER 3

Prospective Bidders:

This addendum is to clarify the timeline for the review and award of the RFP. The review panel should be established by the end of May. The review of the 19 proposals and any questions or concerns should be answered by the end of June. The panel will then, based on the rankings given, determine a short list to be presented at the July ECUA Committee and Board meetings. Presentations may or may not be required at that time. Notifications will be sent if presentations are necessary.
