

EMERALD COAST UTILITIES AUTHORITY

RFQ NUMBER: CC2014 09
ALTERNATIVE ENERGY FACILITY
TO INCLUDE DESIGN, SUPPLY AND CONSTRUCTION OF ECUA FACILITY

ADDENDUM NUMBER 4

January 22, 2014

Prospective Bidders:

The following questions have been received, and the answers are being distributed to all interested parties:

1. Was there an RFP for beneficial reuse of bio solids? Yes, see attached. .
2. Was there an RFP for digester or lagoon clean-outs? No. We do most of that work ourselves and we do not have a lagoon system.

Important New Information: Final Call for Questions

The last day for questions shall be Thursday, January 23rd, 2014 at close of business which is designated as 5:00 pm CST. Answers will be provided by addendum to questions received prior to the designated time.

If you have any questions, please call my office at 850-969-6531, or email me at amy.williamson@ecua.fl.gov.

Regards,

Amy Williamson, CPPB, FCCM
