“Whether we need to come over there for meetings?”

**Response:** Travel may be required.

“Can we perform the tasks (related to the RFP) outside USA (like from India or Canada)?”

**Response:** Possibly.

“Can we submit the proposals via email?”

**Response:** No.

Questions Received: On review of the referenced RFP Section A heading A.1 it is understood that the Authority has a preference for a one vendor solution for all modules. Will any consideration be given to best of breed solutions that satisfy one or multiple requirements?

**Response:** We would not entertain a product that doesn't provide a comprehensive solution for the majority of the requirements. It would be up to that vendor to partner with someone else to provide a (as close as possible) 100% solution meeting all the requirements.
