ADDENDUM NUMBER 1

Prospective Bidders:

This addendum is to notify you of the following information to the above referenced bid number. The following clarifications are provided:

CWRF:

1. There are 44 VAV boxes with electric strip heat in the CWRF Administration building. These were called out in section 2.1.1 of the bid specification.
2. Biosolids Building gas fired unit heaters. These were called out in section 2.1.1 of the bid specification.
 - a. Quantity 3 – Reznor model UDAP 30 gas fired unit heaters.
 - b. Quantity 10 – Reznor UDAP 400 gas fired unit heaters.

Bayou Marcus:

1. Mechanical Maintenance Building wall mounted HVAC unit:
 - a. Bard Model WH 361- C15 (3 Ton) Serial #134M072421982-02

Small panel mounted HVAC units that are located on the stainless steel cabinets at all sites should be covered by the general maintenance service agreement and response time requirement, but repair costs will be billed to the ECUA based on section 1.4 and the bid additional services hourly rates schedule and parts mark-up percentages listed in the bid tab.

The **Purafil hydrogen sulfide air scrubbing units** are not part of this contract as they are not HVAC units.
