Sealed bid for Bid Number 2013-11, Granular Activated Carbon, will be received by the Emerald Coast Utilities Authority Purchasing and Stores Manager, 9255 Sturdevant Street, Ellyson Industrial Park, Pensacola, FL 32514, until 2:00 p.m., August 13, 2013, at which time bids submitted will be publicly opened and read. It is the intent of the Emerald Coast Utilities Authority to enter into a contract with a qualified vendor for the delivery of approximately 160,000 pounds of Granular Activated Carbon. Most orders will be for 80,000 lbs. per order. Delivery will be in 20,000-pound tank trailer lots. Delivery in “supersacks” is acceptable, but the vendor must arrange and pay for the transfer of the activated carbon from the supersacks to ECUA’s filter vessels. The vendor must agree to accept the spent carbon before the bid can be awarded. A sample of spent carbon will be made available for testing if the supplier desires. The Granular Activated Carbon to be supplied hereunder shall meet the most current AWWA Standard B-604, in addition to the physical properties listed in the bid package. Specifications and information may be obtained from ECUA, Purchasing and Stores Manager (850-969-3350). Bids received after the closing time will be returned unopened. ECUA reserves the right to reject any or all proposals and re-advertise.
