## Make Life Simpler This New Year!

The time of year and weather conditions typically have a big impact on the quantity of water you use, affecting the amount you pay each month for water and sewer services. For most customers, the highest bills are in the summer when water usage is at its peak due to irrigation combined with typically lower levels of precipitation. Perhaps you have a swimming pool to fill and wash the car more often-- these fluctuating conditions lead to highs and lows in your monthly billing cycles.

You can say goodbye to those monthly peaks and valleys, and simplify your monthly budgeting-- and with a new year, it's a great time to start! The Budget Billing program allows residential and commercial customers to pay their ECUA bill at a similar amount each month, based on a monthly average of the previous year's water usage.

To be eligible to participate in this program, ECUA customers must have current accounts and a billing history of at least 12 months at the same location. Each customer's Budget Billing Plan payment amount is calculated based on the total bill charges over the 12 months prior to the signing-up date, and divided by 11, leaving the twelfth month as the "settle-up" month. The Budget Billing payment is then made monthly until the settle-up month, at which point any credits or balances due are "settled-up." Then, the process begins again, perhaps with a newly-determined monthly Budget Billing amount, based on the latest 12-month period. Our aim is to make the Budget Billing amount as accurate as possible and effectively even out the highs and lows of your monthly utility bill.

## Sign-Up Now for E-Notification

You can now opt-in to receive email notification when your bill is ready to be viewed online at ECUA's Click2Gov web site, on the same day that it is generated by our billing system.

The choice is yours: continue to receive only your paper billing statement, receive the E-Notification only, or choose to receive a paper bill **and** an E-Notification.

Going "paperless" with E-Notification only is an especially suitable option for our customers who are enrolled in our Pre-Authorized Checking (PAC) program, or for those customers who do their bill-paying electronically, since they will no longer be receiving a return envelope.

E-Notification service increases our conservation efforts and provides a cost savings for you and the ECUA.

To sign up, simply call our Customer Service Center at 850-476-0480 or email us at:

**customerservice@ecua.fl.gov**. Include your account number, email address, and preferred E-Notification option. It's that easy!
