

ECUA Lift Station Inspection

Sign-Off Sheet

A copy of this sheet shall be given to Contractor at pre-construction meeting. The ECUA Inspector shall complete this sheet as appropriate and based on project timing.

The Contractor shall notify the ECUA Inspector at least 2 full business days prior to commencement of each individual activity listed below to allow for coordination, inspection, and approval so that subsequent construction can occur. Failure to provide required notification and obtain ECUA Inspector sign-off will result in rejection of work.

Project Name: _____ Project CIP #: _____

Contractor/Field Rep/Cell #: _____

ECUA Inspector/Cell #: _____
